Stop the Towers Petition

Petition summary and background	Proposals are being brought forward by A2 Dominion and Southern Grove/Thames Valley Housing for multi-storey tower blocks on Hastings Road and Manor Road in West Ealing. These are out of character with the area, will be a burden on already stretched local infrastructure and will do nothing to reduce Ealing Council's existing housing list. West Ealing residents strongly oppose both developments.
Action petitioned for	***We, the undersigned, urge Julian Bell and Ealing's Labour Administration to REJECT the two planning applications for multi-storey tower blocks on Hastings Road and Manor Road in West Ealing.
